2. Build more modern apartments.	Instead of building single houses, the institution can build modern apartments to take care of the lack of space but unlimited demand for housing.				

2. Tourism Fiji		
Role/Function To promote Fiji to the rest of the world.		
Contributions/ Importance	1. Provides employment.	The institution provides direct and indirect employment for the people which enables them to earn a source of income.
	2. Earns foreign exchange.	The economy earns foreign currencies through the arrival of tourists in Fiji.
Problems Faced	1. Special prices are charged to tourists.	Price rate for tourists are so high that it discourages them to come back to Fiji.
	2. Tourists are getting robbed.	Many tourists encounter theft and robbery on our shores that they will make it their point not to return including discouraging other tourists from visiting based on their experience.
Solutions	1. Charge local prices to tourists.	The nation should charge local prices and create awareness to tourists of the right prices through pamphlets.
	2. Create awareness on the importance of these visitors to settlements.	There should be friendly police visits around the urban settlements to create awareness and social media advertisements on refraining from such terrible acts against these tourists.

3. Fiji Sugar Corporation (FSC)	
Role/Function	Manages the 3 sugar mills in Fiji.
Contributions/ Importance	<p>1. Provide employment.</p> <p>2. Earns foreign exchange</p> <p>The institution provides direct and indirect employment for the people which enables them to earn a source of income.</p> <p>The economy earns foreign currencies through selling of sugar to overseas countries.</p>
Problems Faced	<p>1. Machine Breakdown.</p> <p>2. Delay in cane payment.</p> <p>Since the machines are ancient, it often breaks down and production pauses while it gets fixed.</p> <p>The farmers get late payments for their sugarcane so at this period their basic needs are hardly met.</p>
Solutions	<p>1. Government should invest in the latest technology.</p> <p>2. Increase grants given to FSC.</p> <p>The Government should buy the latest technology to increase the speed for production and decrease the costs in maintaining the old machines.</p> <p>The Government should increase the grants given to FSC to take care of the cane payments to farmers.</p>

4.

Ports Authority

Role/Function To co-ordinate all activities of or within ports.

**Contributions/
Importance**

1. Provide employment.

The institution provides direct and indirect employment for the people which enables them to earn a source of income.

2. Generate income to the government.

Profit earned from trading for this institution goes to the government.

Problems Faced

1. Weak security services.

Due to weak security services, some illegal goods or hazardous goods that can cause serious harm to the nation.

2. Rubbish from the ships when they dock.

When ships come in, they discard their waste materials into our seas.

Solutions

1. Security services need to be internationally certified.

Security workers need to further their training and be internationally certified.

2. Have a proper waste disposal system.

The port should have a compulsory rule that all ships dispose their rubbish in the proper place provided for a fee.
